REQUEST FOR MEDICAL DIETARY ACCOMMODATION

(for completion by student and/or parent)

Grinnell College will attempt to accommodate all medically necessary dietary requests, within the parameters of the regular meal plan options and without adjustment to the price of the plan.

Any student requesting medical diet accommodation must:

1. Fill out this ***Request*** form;
2. Have his/her physician fill out the accompanying ***Medical Certification*** form;
3. Meet with the college's ***Student Health and Counseling Services*** for review of the prescribed dietary recommendations; and
4. Meet with the college's ***Dining Services*** for review of the specifics of the diet implementation (Health Services will contact Dining Services on behalf of the student and arrange this meeting).

Implementation of the diet will occur as soon as items can be procured and kitchen production arranged, generally within 10 days of the completion of the four steps listed above.

Name of Student/Patient:
_____

Signature of Student/Patient: Date:
_____

Signature of Parent/Guardian (if student is under age 18):
_____

The student's and/or parent's signature on this form authorizes the Dining Services and Health Services management staff to discuss the medical condition and dietary needs certified for the student named with the college's medical advisor and/or the certifying physician.

(please bring this form and the completed Medical Certification Form to Student Health and Counseling Services)
