Pioneer Football Camp Director

Jeff Pedersen '02 – Coach Pedersen was named the Pioneers' head coach in December 2010 after serving the previous campaign as the interim head coach. During his initial campaign he was named the Midwest Conference Coach of the Year, guiding the Pioneers to the most wins by a first-year head coach (6) since 1917 and the largest single season increase in wins by a first-year head coach (+4) since 1905.

Pedersen is the offensive coordinator and the offensive line coach for the Pioneers. He also serves as the director of the College's Fitness Center and as an assistant track coach. After earning his degree in History from Grinnell College in May of 2002, Pedersen worked one season at the University of Chicago before returning to Grinnell in January, 2003. He coordinated the offense in 2004 and 2005 before moving on to the Catholic University of America in Washington, DC in 2006. Pedersen spent two seasons at CUA, working as the offensive coordinator in 2007 before returning to Grinnell in the fall of 2008. After serving as the defensive coordinator at Grinnell for the 2008 and 2009 seasons, Pedersen took over as the interim head coach for the 2010 season.

A two-time All-American tight end while playing at Grinnell, Pedersen set school records for receptions and completions in a single season. He was also a four-time all-Midwest Conference performer and a participant in the 2001 Division III Aztec Bowl, which pitted D-III All-Stars against the top players in Mexico.

The Pioneer Football Camp provides an affordable camp offering plenty of close interaction between campers, current and former Grinnell players, and the Pioneer Coaching Staff. Our goal is to teach some fundamental aspects of both football and strength and conditioning, as well as to give athletes a chance to compete against their peers from across the country. We want our campers to learn, to compete, and to have fun.

— Coach Pedersen
