

2012 Payroll Deduction Pledge

Giving through Payroll Deduction is a great way to make a gift to the organizations that make a difference in Grinnell.

As a convenience to employees and a courtesy to local area charities, the Grinnell College Payroll Deduction Program allows employees to give to local charities over the course of a year. This simplifies the giving process and makes it easier to budget for larger donations.

Timeframe

The Grinnell College Payroll department will distribute your pledge over 12 pay periods (12 months), beginning in January and ending in December. Keeping on a one-year cycle makes it possible to provide this service for employees. If you make a pledge after January, your pledge will be distributed over the remaining months of the year. If you would like to make a pledge for longer than 12 months, you will need to renew your pledge each calendar year.

Organizations Supported

To make the program manageable for our payroll department, this program directs funding to a limited number of local non-profits, including Grinnell College, Grinnell Regional Medical Center and select "umbrella" organizations that do work in our local area.

Donor Information

(Please Print)

Name: _____

Home Address: _____

E-mail: _____ Home Phone: (_____) _____

Grinnell College Department: _____

Donor's Agreement

I wish to donate the following funds via Grinnell College payroll deduction. I have designated the amount to deduct for each organization every month and have calculated the total annual donation for each. I understand that this is an annual pledge that will need to be renewed each calendar year (Jan - Dec).

Signature: _____ Date: _____

To ensure that your pledge begins in January, please return this signed pledge form, **by January 3, 2012**, to:

Community Enhancement & Engagement
733 Broad Street, Old Glove Factory
Grinnell, IA 50112

If you make a pledge after January, your pledge will be distributed over the remaining months of the year.

Selecting an Organization

1. Choose the organization(s) to which you would like to donate.
2. Indicate the amount, in whole dollars, that you would like to donate each month.
3. Multiply by twelve months to calculate your Total Annual Donation.
