

## Personal Health Application

Applicants must complete this form if they have requested insurance coverage for themselves or any of their family members and are required to provide evidence of insurability.

### Instructions

#### Employer's Responsibility:

1. Fill out the Employer Section completely. Please note an incomplete form will result in a delay in processing the applicant(s) request for insurance. Refer to your Policy and employee records. These records are your property and are not on file with Hartford's Group Medical Underwriting Department.
2. In Section #1, "Who Requires an Application," indicate with a check mark why evidence of insurability is required – for employee and/or dependent(s). See definitions in #3 below. Consult your Policy for all requirements, limitations, and exceptions.
3. In Section #2, "Coverage Summary," complete all coverage amounts for each Applicant. **Basic Life coverage amounts are important and must be included for all Applicants requesting additional Life coverage.** Consult your employee records to determine current coverage amounts. Please note that Hartford does not have access to employee records for amounts of coverage already in force. The term "Supplemental" refers to any additional amount of coverage provided above and beyond the Basic amount provided by your plan. The term "Voluntary" refers to any coverage where the applicant is required to pay the entire cost of the plan.  
**Definitions of coverage requests:**
  - **Over Guaranteed Issue (GI) Limit:** Election of coverage exceeding the guaranteed issue amount (according to your contract) for which evidence of insurability is required.
  - **New Hire:** Newly hired employee electing coverage for the first time within the initial eligibility period (usually the first 31 days from date of hire).
  - **Opting up to Higher Level of Coverage:** Election of additional coverage with insurance currently in force.
  - **Late Entrant:** Employee who did not enroll during the initial eligibility period (date of hire or date of family status change) and/or does not currently have coverage in force. (*Note: Applicant is responsible for payment of any additional information required for completion of the underwriting process e.g. exams, medical records, etc.*)
  - **Change in Family Status:** Election of coverage usually made within 31 days of a qualified change in family status.
  - **Earnings Increase (for Employees ONLY):** Increase in coverage due solely to an increase in the amount of annual earnings. See your contract for specifics of when EOI is necessary for earnings increases.
4. After completing the Employer Section on page 2, forward the entire form to the employee.
5. No premiums may be deducted on additional amounts requiring evidence of insurability until a final decision regarding coverage is received from Hartford's Group Medical Underwriting Department.

#### Employee's Responsibility:
