| <p>U.S. Environmental Protection Agency <i>Are you interested in exploring a career with the EPA and the Federal Government but don't know how to navigate the red tape? Participating in the Student Career Experience Program (SCEP) at EPA can give you the edge you need to get your foot in the door. SCEP provides students with paid part-time, semester-length, seasonal, or summer trainee employment in a position complimenting their academic studies. Upon successful completion of at least 640 hours of work and receipt of their degree, participants receive non-competitive eligibility for appointment to the Federal service for the type of position they trained for.</i></p> <p><i>EPA leads the nation's environmental science, research, education and assessment efforts. The mission of the Environmental Protection Agency is to protect human health and the environment. Since 1970, EPA has been working for a cleaner, healthier environment for the American people.</i></p> | <p>Student Career Experience Program - Sophomores and Juniors may apply, as well as Seniors who will be attending graduate school next year.</p> <p>Seeking: <i>All backgrounds and majors</i></p> <p>Application Materials: <i>Résumé, Cover Letter</i></p> | <p>Washington DC</p> |
