#### The *Grinnell Dining* Mission:

To provide the college family and community with dining and hospitality services that exceed the needs of our customers, through service and quality products, in an ethical and responsible manner, in support of the overall mission of the College.

### Study Break Planned

*Grinnell Dining* will be hosting an ice cream study break on May 15<sup>th</sup> in the lobby of the Joe Rosenfield '25 Center. Serving will take place from 9 – 10pm.

We will have a number of your favorite flavors of ice cream along with several toppings. There will be a vegan/vegetarian alternative available for those desiring that option.

We hope to see you there! Take a few minutes from your study time and fuel-up for the challenges ahead.

### Not Forgotten

During Spring Break we had hoped to have work completed on moving the sneeze guards at a number of Marketplace venues completed. Due to a number of scheduling conflicts with the installation personnel this did not occur.

*Grinnell Dining* has not forgotten and this work will go forward as soon as the arrangements can be made. We regret that the changes will probably not occur until the summer months, but it will occur prior to your return this fall.

### Commencement 2007 – Coming Soon!

### April Snows Affect Fall Crops

Although the full effect remains to be seen, the recent April snowfalls may have significantly, and negatively, affected locally-grown tree fruits – most notably apples.

*Grinnell Dining* continues to be in contact with our local suppliers as they assess the damage to their trees and how this might affect availability and pricing of their product this fall. *Grinnell Dining* is committed to bringing you locally-grown products as they are available.

## BREAKFAST @ DINNER April 26, 5-8pm

All of your favorite breakfast items take a trip to the evening! French Toast, Hash Browns, Eggs-to-Order, Scrambled Eggs, Bacon, Sausage, Pancakes, Fruit Salad, and Iced Cake Donuts. There will be enough carbohydrates to keep you studying through finals week – all in one meal!

The chickens are working overtime to make this meal happen. We hope you'll plan to be here!
