IOWA DRIVERS LICENSE:

A drivers license is a State issued document. F and J students who plan to drive in the US may do so with an 'International License' but a national license issued from your home country is not sufficient. To secure an Iowa license, follow the instructions below (as outlined for a State ID Card). In addition, you will be required to pass a written exam and a driving exam. Study manuals for the written exam are available for 'check out' in the OISA, and are also available on site in the Community Center. No appointment is needed.

- Written Tests are available between 8:30 – 11:00 and 12:30 – 3:00;
- Driving Tests are offered on a first come, first serve basis, from 8:30 to 11:00. You must supply the car as well as proof of insurance.

'NON-DRIVER' STATE ID CARD:

F-1 and J-1 students and scholars who have a social security number and a residential address in the State of Iowa are eligible to apply for a Non-Driver State ID Card. A State ID serves as a valid form of identification.

You will be required to present original documents:
