Summary:
The purpose of this policy is to comply with Iowa Code 261.9(1)(h) and to explain who is required to report child abuse, when reporting is required and the process for making a report.
College Policy

I. Policy Foundation
Grinnell College strives to protect the welfare of children who are on campus or who are participating in an off-campus program sponsored by the College.

Any employee who, in the scope of his/her/hir employment responsibilities, examines, attends, counsels or treats a child is required to report suspected physical or sexual abuse of a child. Proof that abuse has occurred is not required in order to be obligated to report. This policy is intended to be broad, and any uncertainty about whether reporting is required should be resolved in favor of making a report.

An employee who has made a good faith report of physical or sexual child abuse or who has aided and assisted in the assessment of a child abuse report may expect that no retaliatory action, such as discharge, demotion, suspension or harassment, will be taken against him/her/hir for doing so.

I.1 Legal Acts

II. Policy body

I. Who Must Report
Employees who, in the scope of their employment responsibilities, examine, attend, counsel, or treat a child must report physical or sexual child abuse when they see, know about, or reasonably suspect the physical or sexual abuse of a child. This includes most College employees, including, but not limited to, faculty, coaches, student employees, administrators and staff. If an employee is not sure whether he/she/zi is required to

report, he/she/zi is encouraged to err on the side of caution and report. Proof that abuse has occurred is not required in order to be obligated to report.

This policy does not cover statutory mandatory reporters under Iowa Code 232.69 or others that are required reporters by professional ethics. Statutory mandatory reporters have additional responsibilities to report all forms of child abuse as defined in Iowa Code 232.68(2) to the Iowa Department of Human Services.

III. Implementation

I. Reporting Procedures
   In the event of an emergency, first call 911.

   Suspected abuse must be reported within twenty-four hours to both:
   1. The Grinnell Police Department at 911 or 641-236-2670.
   AND
   2. The Office of Campus Safety and Security at ext. 4600.

   When reporting suspected child abuse, the employee will need to provide the following information to the best of his/her/their knowledge:
   - Name of the alleged victim(s)
   - Name of the alleged perpetrator(s)
   - Time and date of the incident(s) being reported
   - Location where the incident(s) occurred; and
   - Any additional information supporting the allegation that misconduct has occurred.

II. Employee Protections
   The college will attempt to protect the identity of any employee who makes a good faith report of suspected physical or sexual abuse of a child.

   If an employee feels that he/she/zi is being retaliated against for making a good faith report of suspected physical or sexual abuse of a child or because he or she has aided and assisted in the assessment of a child abuse report, he/she/zi must report this immediately to the Director of Human Resources.

Questions about this policy should be directed to the Director of Human Resources at 641-269-4818 or hr@grinnell.edu
