	American History or Government
	Humanities
	Mathematics
	Biological Science
	Physical Science
	Demonstrated Proficiency in Writing (met by Tutorial)

Grinnell College Education Department

Secondary Teaching Licensure Program Advising Guide

#120 5-12 English/Language Arts- Updated February 2021

Special topics courses (295, 395), OCS coursework, independent, directed and mentored advanced projects (299, 399, 499), and other classes with relevant content to the endorsement area may serve as substitutions if those courses are reviewed and granted permission by the appropriate education department faculty member. Permission to substitute courses must be granted in writing and recorded in the student's electronic folder.
