Medical and Professional School Application

A two-step process consisting of:

- ▶ Primary application
 - Sent to all selected schools
 - Centralized Application Service (CAS)
- ▶ Secondary application
 - School-specific essay questions

What is a Centralized Application Service?

- ▶ Verifies coursework and calculates GPA across all institutions attended
- ▶ Gathers supporting documents and forwards them to the schools you choose

Examples:

AMCAS – allopathic medicine (MD)

AACOMAS – osteopathic medicine (DO)

TMDSAS – Texas public medical, dental, and vet schools

AADSAS – dentistry

SOPHAS – public health

PharmCAS – pharmacy

VMCAS – veterinary medicine

NursingCAS – BSN and MSN programs

General Timelines

May

- ▶ Most CASes open
- ▶ Allow 4–6 weeks for verification on receipt of transcripts

June – July

- ▶ Verified applications are sent to schools
- ▶ Secondary applications are sent to applicants

August – March

- ▶ Interviews

Most schools have rolling admissions so submit primary early and secondaries within 2 weeks of receiving them!

Parts of Your Primary Application

- ▶ Biographical information
- ▶ Colleges attended
- ▶ Coursework/Transcripts
- ▶ Work, activities, and experiences
- ▶ Test scores
- ▶ Personal statement
- ▶ Letters of recommendation

Admissions Exams

Research for every school:

- ▶ Required tests
 - Admissions tests (MCAT, GRE, DAT, PA-CAT)
 - Situational judgment tests (PreView, CASPer)
- ▶ Test dates vs. score release dates
- ▶ Oldest/Latest scores considered

Letters of Recommendation

- ▶ Individual letters
 - Research PI
 - Professor who taught you in a course
 - Work supervisor
 - Clinician
- ▶ Committee letter
 - Written by Health Professions Advisory Committee
 - Evaluation by faculty and staff across the institution

Research the letter requirements for every school!
