BILLING AGREEMENT FORM

grinnell.edu/billing-auth-form

First-year students must submit a billing agreement form.

Federal law requires us to have a billing agreement form on file for each student. This form also authorizes us to give billing information to designated people over the phone and in person. **You must complete this form before we can release any information to anyone other than you.** It also provides directions on how to handle any possible Title IV financial aid credit balances.

ACTION REQUIRED by July 27, 2026.

Complete the form at grinnell.edu/billing-auth-form

- You will need your Grinnell username (do not include @grinnell.edu) and password.
- You will need your student account/ID number.
- You may change the information on the form at any time by submitting a new form.

Note: This form **does not** authorize others to use the **online payment system** (see [Setting Up Authorized Users section](#)).

grinnell.edu/fees

Authorized users *who are previously set up* will also receive an email announcement once the billing statement is first available online (see [Student Online Billing section](#) and [Setting Up Authorized Users section](#)).

A paper copy of the first statement of the semester is mailed to the address provided by the student, unless it is an international address. **Paper statements are not mailed internationally.**

You must pay any balance due or be enrolled in a payment plan by **July 27, 2026**, except for balances directly related to **Work-Study** (see [Work-Study section](#)). See Monthly Tuition Payment Plan section for details on setting up a plan.

See ([see Important Billing Dates section](#)) for Spring 2027 billing dates.

Note: All automated emails from our online payment provider will come from **campuspayments@touchnet.com**.

International Bank Payments

flywire.com/school/grinnell

Grinnell College partners with **Flywire** to offer an innovative way to make international tuition payments. Developed especially for the international student, Flywire offers a simple, secure, and cost-effective method for transferring and processing payments in international currencies.

Grinnell College also partners with **TransferMate** to provide a streamlined and secure payment method directly through your online student account (colss-prod.ec.grinnell.edu/Student/Finance/AccountSummary) which also reduces bank fees and improves your payment experience. Authorized Users will also find this payment method within their Authorized User portal.

Monthly Tuition Payment Plan

grinnell.edu/payment-plan

Grinnell College offers semester tuition payment plans administered by **TouchNet**. Payment plans are a convenient, manageable payment solution that provides the option to pay tuition each semester in interest-free monthly installments, rather than as one lump sum.

Enrollment in the Grinnell Real-Time plan can be set up after semester billing is complete and will close on the first day of classes ([see Important Billing Dates section](#)). This is a payment plan that matches the student account balance in real-time.

- The **enrollment fee is \$45 per semester**.
- Each monthly installment is due on the 25th.
- Payment plan installments:
 - **Five installments for the fall semester:**
June, July, August, September, and October
 - **Six installments for the spring semester:**
November, December, January, February, March, and April.
- **Any missed installments** will be due when enrolling in the payment plan, along with the enrollment fee.
- Payments submitted prior to enrolling in a plan will not be applied as payments towards upcoming installments. Rather, the overall balance would be reduced by the amount of the payment, and the balance at the time of enrollment would be subject to the installment schedule. All resulting installments would then be due.

- **Installments not received within 10 days of the due date will incur a \$20 late fee.**
- **Please note:** Any changes in the student account balance will automatically update your installment amounts:
 - If a charge is added or financial aid is reduced/removed to increase the balance, **the remaining installments will increase accordingly.** Note: changes in aid can take 2–3 days to show up on a student’s bill. A computer-generated email is sent to notify of changes to installments.
 - All payments received on an account (e.g. regular installment, work-study payment, extra payments, etc) will apply in-full towards the next installment due. That installment will decrease by the payment amount. A computer-generated email is sent to notify of changes to next installment.

International Students and Monthly Payment Plans

TransferMate is now available as an international payment method for payment plans. With TransferMate, users cannot schedule installments in advance, but can pay fees at enrollment and their next single installment.

Alternatively, international students can set up a U.S. bank account as soon as they arrive on campus and have money wired to their U.S. bank account to pay monthly installments online.

Visit grinnell.edu/payment-plan for more information about the Monthly Tuition Payment Plan option and instructions on how to enroll in a payment plan; or call **TouchNet Payment Plans’** support number for plan-specific questions: 833-269-3675.

529 Savings Plans

You are responsible for contacting your 529 Savings Plan or Pre-Paid Plan as soon as possible to arrange check or wire transfer payment to Grinnell College on your behalf.

Many 529 College Savings Plans now have a digital distribution option which saves time and improves transparency with real-time payment tracking. When you request a withdrawal from your plan, look to see if a digital disbursement is available. If you have questions or need assistance with making a digital disbursement from your 529 plan, please contact your 529 plan provider.

This option is highly recommended over paper checks.

DAMAGE DEPOSIT

All new Grinnell students are required to pay a \$125 damage deposit that is included as a charge on the first billing statement. This deposit serves as a key deposit and damage deposit for the residence halls.

Prior to billing each fall semester, the \$125 level will be replenished if charges have been applied to the damage account.

Upon graduation or withdrawal from the College, the unused deposit will be credited to the student account.

ACTIVITY FEE

The Activity Fee is charged to all students. This fee funds different types of activities, programs, and events for the benefit of the entire student body.

STUDENT HEALTH INSURANCE FEE

grinnell.edu/health-insurance

gallagherstudent.com/grinnell

All full-time students must be covered by a U.S.-based, Affordable Care Act–Compliant health insurance policy that covers them in Iowa under in-network benefits.

Action Required by August 14, 2026

Each fall semester, we automatically bill you for the student health insurance plan offered through Grinnell College. **Coverage for the Student Health Insurance Plan is from August 14, 2026, through August 13, 2027.**

- **If you are covered** by a U.S.-based, Affordable Care Act–Compliant health insurance policy that covers you in Iowa under in-network benefits, **you must fill out the waiver form** to remove the charge for the Grinnell Student Health Insurance Plan.
- **If you are not covered** by a U.S.-based, Affordable Care Act–Compliant health insurance policy that covers you in Iowa under in-network benefits, **you must fill out the enrollment form.**
- **Fill out the enrollment form early** to set up your Student Health Insurance Plan account and receive your Student Health Insurance ID card when coverage begins. If you do not fill out the enrollment form and wait until you are enrolled by default, it can take up to two months before you will be able to access your ID card.

You must **enroll in or waive out of** Student Health Insurance by **August 14, 2026**. **Waivers will not be accepted after this deadline. NOTE: If your alternate insurance does not provide In-network benefits in Iowa, your request to waive will NOT be approved.**

- For plan information, forms, and instructions, visit and login to **gallagherstudent.com/grinnell**
- **If you have an international address**, you will need to use your Grinnell College address when completing either form: 1115 8th Ave., Grinnell, IA 50112.
- Students will log in to the system using their Grinnell email address and a self-selected password.
- **First-time users**, you will receive an email from Gallagher Student Health with a temporary password. You will be required to create a new password the first time you log in.
- **Returning users** can use the “Forgot password” option if you do not remember your password from last year.
- **Choose either** “ENROLL” or “WAIVE”.
- **Follow the instructions** to complete the form. If waiving the insurance, have your current health insurance ID card ready; you will need this information to complete the waiver form. You will be asked to review the information provided and click “submit” to complete the process. Immediately upon submitting your online form, you will receive a reference number. Please note and keep this information.
- The health insurance fee will be credited back to the account when Grinnell College receives notice of a successful waiver submission.
- Students who enroll in the student health insurance will be emailed instructions on how to print ID cards and verification letters from their account at the Gallagher Student Health website when the policy begins. *Note: If you do not self-enroll, your insurance ID card and verification letter will be delayed.*

IMPORTANT:

- **Out-of-state Medicaid and international policies are not acceptable alternatives.**
- **Other policies that do not provide in-network benefits in the state of Iowa are not acceptable.**
- If your waiver is denied and you are unable to resolve the denial through Gallagher Student Health, you will be enrolled by default in the student health plan, and the premium charge will remain on your student bill.

WORK-STUDY

grinnell.co1.qualtrics.com/jfe/form/SV_40iAcXDNAsgBb26

Work-study is not listed as a credit on your billing statement because it is available as an option to earn those funds through student employment. If you have work-study as a part of your financial aid package, and you plan to work during the semester, you can start the semester with a balance due for the work-study amount, and pay it off throughout the semester. **To utilize this option, you will need to verify your intent to work.** You can find the Intent to Work form at the link above. The form must be **re-submitted each year** you intend to work. Please contact our office for more information about this process.

You are responsible for making regular work-study payments throughout the semester.

We encourage you to set up payroll deduction with the **Payroll Office** (see [Contact Us section](#)) to ensure you make regular payments toward your remaining work-study balance.

NOTE: If regular payments are not made by the Pre-Registration date (see [2026-27 Important Billing Dates section](#)) or you are not on track to pay the balance off by the end of the semester, you may be dropped from future courses.

- Student employee pay dates can be found on the GrinnellShare Student Employment site.

FEDERAL EMPLOYMENT FORMS

If you have any questions regarding student employment or filling out employment forms, please contact Jessica Lukehart, student employment

coordinator, at lukehartj@grinnell.edu, 641-269-3275.

FINANCIAL AID

grinnell.edu/online-financial-aid

Check your billing statement to be sure your aid is reflected. If you think you are entitled to aid that is not reflected on the billing statement, make sure that all financial aid requirements have been completed.

To do so:

- Call the Financial Aid Office, 641-269-3250 or
- Login to the Online Financial Aid Office, grinnell.edu/online-financial-aid, to accept awards and loans or provide missing documents.

Note: **The work-study amount does not appear as a credit on the billing statement** (see [Work-Study](#) section).

OUTSIDE SCHOLARSHIPS AND EMPLOYEE BENEFITS

Are you expecting to receive outside scholarships or private employee benefits that have no affiliation with Grinnell College?

Report them to the **Office of Financial Aid**, 641-269-3250, FinAid@grinnell.edu, to have them reflected on your statement.

You are responsible for submitting these funds to the College in a timely manner. If we do not receive expected outside scholarships or employee benefits by mid-semester, **you will not be able to pre-register** for the next semester or request transcripts **until** those balances are paid.

DIRECT DEPOSIT FOR REFUNDS

All students should provide bank information for any possible refunds. Banking information can be added in the Student Self-Service portal at colss-prod.ec.grinnell.edu/Student

- Verification of new bank information is completed by the Accounting Office after it is entered into the Student Self-Service Portal.
- Direct deposit for campus jobs is handled through the Payroll Office and is not linked to bank information entered in the Student Self-Service Portal.
- Bank information provided in self service is not connected to the Billing Payment Portal, TouchNet.

OFF-CAMPUS STUDY BILLING

grinnell.edu/ocs

grinnell.edu/fin-aid-ocs

If you are studying off-campus this semester, you will be charged Grinnell's tuition or the tuition of the program you attend, whichever is greater.

Note: Programs differ in the types of charges they bill to Grinnell College. You are responsible for any additional expenses above those billed to the College

Apart from the initial deposit, which the student pays directly to the program, Grinnell College pays all program invoices directly, and in turn, bills the student for the remaining balance after financial aid has been applied. The following is a list of off-campus study tuition, fees, and other charges billed by Grinnell:

- The tuition of the program you attend or Grinnell's tuition, whichever is greater. Please bear in mind that the comprehensive fee published by some programs may also include charges in addition to tuition, such as housing and food, transportation, etc. Grinnell considers only the portion of these fees representing tuition when determining the tuition charge to be billed by Grinnell College. Grinnell bills these fees separately (housing and food, transportation, etc.) and not as part of the tuition.
- Off-campus study administrative fee (\$367)
- Grinnell College student health insurance (which may be waived)
- Housing and Food charged by the program
- Transportation, such as airfare, if billed to Grinnell College by the program or paid in advance by Grinnell College
- The program fee can encompass multiple charges (i.e., housing/food and transportation or other expenses charged by program). It is not reduced to itemized expenses and does not include tuition charges.
- Miscellaneous fees if charged by the program (student activity fees, lab fees, local transportation, books, etc.)

The College will bill the student the estimated costs of the program in which the student is enrolled prior to the beginning of the semester. After Grinnell receives the invoice from the program, an adjustment will be made to the student billing to reflect actual charges. Please note that

programs differ in the types of charges they bill to Grinnell College. Personal expenses above and beyond actual program costs that are not included by any program in the charges billed to the College are entirely the responsibility of the student. If you have questions about the Off-Campus Study charges on your billing statement, contact the **Office of Student Accounts** at 641-269-4100.

If you have questions about the Off-Campus Study Financial Aid on your billing statement, contact the **Financial Aid Office** at 641-269-3250.
