

Grinnell College Student Health and Wellness On-Campus COVID Testing Clinic Walk-Through

Testing Clinic

- The Testing Clinic is located in the Natatorium Lobby at 1201 10th Avenue, Grinnell, IA. This is across the street from Harris Center.
- Use the **South** Entrance. The North Entrance is an exit only.
- If you have been exposed, have any COVID symptoms, or don't feel good **DO NOT** go into the Natatorium. **Call SHAW at 641-269-3230**. You will be given instructions on how to be tested at the outdoor station.
- **Symptoms** – again, call SHAW at 641-269-3230 if you are experiencing any of these symptoms.
 - Fever/Chills
 - Muscle Aches
 - Cough
 - Sore Throat
 - Vomiting or Diarrhea
 - New Loss of Taste or Smell
- At your first appointment, you will need to confirm your address and phone number. This is for the Iowa Department of Public Health in case of a positive test.
- Return Testers (or after confirming your address the first appointment), head to the first available station.
- At the testing station, show your P-Card (or another form of identification) and your QR Code.
 - If you have trouble accessing the code or don't have a smart phone, don't worry. Still come in to be tested.
- You will be given a tube and a swab.
- Take this to the area by the widows.
- Remove your mask.
- Swab each nostril 4-5 circles – making sure to touch the sides.
- Put your mask back on.
- Place the sample in the tube and seal.
- Place your sealed sample in the red sample box.
- Continue on and exit through the north doors.
