

PRESIDENT KINGTON RESPONSE TO EMAIL FROM UGSDW DATED 1/1/19, 2:20 PM CST

Dear Quinn,

I hope this note finds you well. Thank you for writing to me.

My door is always open to you or any other student who would like to speak with me individually as a member of our community. Separately, as members of the union any matter related to the union needs to be addressed by union representatives, assistant vice president of human resources, Mary Greiner, or our attorneys. Future union-related inquiries should be directed to them.

I've forwarded your email to our attorneys because there are legal issues that are raised that would not be appropriate for me to respond to. I will ask them to copy me on their response.

I wish you well,

Raynard
