Re: Grinnell College  
Case No. 18-RC-228797

Dear Regional Director Hadsall:

As you know we represent Grinnell College in the matter identified above, in which the College's Request for Review of your November 5, 2018 Decision and Direction of Election is now before the full Board. We are writing in response to Petitioner's December 17 Statement in Support of Withdrawal Request, which was filed on December 14. Grinnell College has not and does not oppose the union's request to withdraw its petition.

Very truly yours,

Frank Harty
