Accessibility

Students with disabilities are entitled to reasonable accommodations on campus. An accommodation is any adjustment, modification, or service that allows an individual to experience fuller access to an environment. At Grinnell this may mean additional time for an exam or a supplemental set of notes for a student with a learning disability, a room on a first floor for a student in a wheelchair, a service dog, or the use of an assistive learning technology such as Read and Write Gold for a student with difficulty reading text on a computer. Students are also able to request accommodations for fuller access to New Student Orientation.

Student accommodations are coordinated and supported by Disability Resources. To learn more about the accommodation process consider attending Navigating Grinnell: Services and Supports for Students with Disabilities or contact John Hirschman, Coordinator of Student Disability Resources, at 641-269-3089 or hirschma@grinnell.edu to schedule an appointment.
