Downtown Construction Update

November 2023

Street Closure - Extended through December 31st
Broad Street between 5th and 6th Avenue will be closed until December 31st for the construction of Renfrow Hall. The Grinnell City Council approved an extension from the College and Weitz Construction to close the street to ensure a safe work area for the construction crew to have space to stage vehicles and materials around the site.

WHAT YOU WILL SEE ON SITE THIS MONTH

Renfrow Hall
• Finalizing masonry walls on the South concrete elevator shaft.
• Working on the Connector Tunnel to SEP Basement.
• Additional work for Roof Levels and North sections are ongoing, including deck installation, MEP rough-in, duct risers, rebar installation, and concrete pouring.
• Installation of pre-fabricated panels and precast elements will begin on the South tower.

South Energy Plant (SEP)
• Set and hookup the generator.
• Begin interior piping into individual building basements.
• Coordination has started for late fall/winter mechanical and electrical work on campus.

NAMING OF RENFROW HALL
Grinnell College honors Edith Renfrow Smith, a graduate of Grinnell High School in 1932 and Grinnell College class of 1937, one of the College’s most accomplished and beloved alumni, by naming the Civic Engagement Quad (CEQ) Core Building in her honor; the new building will be known as Renfrow Hall.
