

HELLO NEIGHBOR

DOWNTOWN CONSTRUCTION UPDATE

December 2023

Street Closure - Extended through February 29th

Broad Street between 5th and 6th Avenue will be closed until February 29, 2024 for the construction of Renfrow Hall. The Grinnell City Council approved an extension from the College and Weitz Construction to close the street to ensure a safe work area for the construction crew to have space to stage vehicles and materials around the site.

SAVE THE DATE - RENFROW HALL DEDICATION

Save the date for a special weekend, Sept. 27-28, 2024, for the dedication of Renfrow Hall. The incredible new space will bring alive Grinnell College's commitment to being an agent of civic trust, and honor the legacy of service, coalition-building, advocacy, and aspiration of **Edith Renfrow Smith '37**. An invitation, schedule of events, and accommodation information will be coming in 2024. For questions, contact the Office of Development and Alumni Relations at alumni@grinnell.edu.

WHAT YOU WILL SEE ON SITE THIS MONTH

Renfrow Hall

- Finish masonry walls on the North concrete elevator shaft.
- Begin Level 1 floor polishing, interior framing and rough-in.
- Starting South tower roof vapor barrier and main roofing install in some locations.
- Additional work for Roof Levels and North sections are ongoing, including deck installation, Mechanical/Electrical/Plumbing (MEP) rough-in, rebar installation, and concrete pouring.
- Mobilize large crane and install precast on West elevations.

South Energy Plant (SEP)

- Hookup the generator.
- Begin interior piping into individual building basements in Nollen, Bucksbaum, and Goodnow.
- Install rooftop hoods, complete roof tie-in, and remove roof cabling supports.
