Biology Research Internships for International Students

- Please make sure you check with the institution/company if they have funding for this summer AND are open to hiring an international student before applying for a position! Good luck!

- Please note that you need to apply for the Optional Practical Training (OPT) permit in February/March if you want to work off-campus (=not in Grinnell) over the summer. Contact the Office of International Student Affairs for more information (x3703 or email Brenda Strong: strong@grinnell.edu)

UNITED STATES

1. Opportunities that may not require citizenship/residency put together by Rochester Institute of Technology: http://people.rit.edu/%7Egtfsbi/Symp/coopinternational.htm

2. Private company internships put together by RIT: http://people.rit.edu/%7Egtfsbi/Symp/private.htm

5. Vanderbilt University Summer Science Academy: https://medschool.mc.vanderbilt.edu/ssa/?q=node/19

8. Mayo Clinic Summer Undergraduate Research Fellowship: http://www.mayo.edu/mgs/surf.html
Biology Research Internships for All Students Interested in Working Outside of the United States (non-REUs)

Please make sure you check with the institution/company when the employment period starts and ends. Some European programs tend to start later than the American ones and often end in late August.

REPUBLIC OF IRELAND, EUROPE (NOT UK)

1. National University of Ireland, Galway (NUIG) – Infectious Disease Program: http://www.idureka.com/home.php
2. National University of Ireland, Galway (NUIG) – Molecular Recognition Program: http://www.nuigalway.ie/urekamolrec/
3. National University of Ireland, Maynooth (NUIM) – Molecular Evolution Program: http://bioinf.nuim.ie/ureka/
5. Dublin City University (DCU) - Diagnostics for Monitoring Diseases: http://www.bdi.ie/Diamond/

SWITZERLAND, EUROPE

1. University of Lausanne – School of Life Sciences: http://ssv.epfl.ch/page64103.html

GERMANY, EUROPE

1. Nanosystems Initiative Munich - International Summer Research Program: http://www.nano-initiative-munich.de/summer/

ISRAEL, MIDDLE EAST

1. Weizmann Institute of Science - The Kupcinet - Getz Science School for International and Israeli Students: http://www.weizmann.ac.il/midrasha/summer/
