

Introduction to New Features in the Grinnell College Libraries' Catalog

The screenshot shows a search interface with a red header bar. In the search bar, the text "japan * AND art" is entered. A dropdown menu is open below the search bar, showing suggestions: "japan * AND art Books, Articles & Media", "japan * AND art Books @ Grinnell", and "japan * AND art Media @ Grinnell". To the right of the search bar, there is a dropdown menu for search type, currently set to "Books, Articles & Media", with a magnifying glass icon and the text "ADVANCED SEARCH" next to it.

When you start searching, a dropdown menu appears to choose where you want to search; you can also do this on the right-hand side.

*The first 8 options show in the search suggestions, but there are more available if you open the drop-down.
