FOREWORD

Beta Chapter of Iowa, Phi Beta Kappa, published in April 1943 its “Green Book”, entitled The Constitution and By-Laws of Phi Beta Kappa at Grinnell College, with Lists of Officers and Members, which was also identified as Chapter Publication No. 4.

The first Handbook appeared in March 1964. Guillermo Mendoza, Professor of Biology and Secretary of the Chapter from 1957 to 1963, was largely responsible for preparing it. A second, bicentennial, edition in January 1976 embodied extensive revisions by Ruth VanBuren Prescott.

Since that time the Handbook has appeared annually with such revision as the continuing life and history of the Chapter have required.

The current edition includes general information about Phi Beta Kappa and Beta Chapter of Iowa; the Chapter Constitution, By-Laws, and Standing Procedures, as amended through 2001; lists of past and present officers and of present “immediate” members; and chronological lists of Chapter members from 1907-08 through 2006.

Because information about individual members is readily available in Alumni Office files, addresses are not included in the lists, nor are living and deceased members differentiated.

Every effort has been made to insure accuracy, including corrections made in the third edition from previous lists. Any errors noted in the listing should be reported promptly to the current Chapter secretary and to any others whose records would be affected by the corrections.

INTRODUCTION

Phi Beta Kappa, a national honorary society devoted to the cultivation of the intellect and to the union of those engaged in intellectual pursuits, was founded December 5, 1776, at the College of William and Mary in Williamsburg, Virginia.

It was the first society to have a Greek-letter name, this name being derived from the initials of its Greek motto: "Love of wisdom the guide of life." These initials are engraved on one side of the society's official "key," together with a pointing finger and three stars symbolizing the original three principles of "friendship, morality, and literature [learning]." On the other side of the key appear the founding date and the letters SP, which stand for the Latin words "Societas Philosophiae."

Extension of the society began when the original William and Mary group granted charters to Yale and Harvard, which thus became the Alpha Chapters of Connecticut and Massachusetts, respectively. By 1883, there were 25 chapters. These were the groups which in that year established the United Chapters as a central governing body and held the first National Council. In the years since, the number of chapters has increased from 25 to 218 and the number of members elected from 14,000 to several hundred thousand. At the meeting of the National Council held in San Antonio, Texas, in October 1988, the name of the national organization was changed to "The Phi Beta Kappa Society". The Society's office is at 1811 Q Street, N.W., Washington, D.C. 20009.

Beta Chapter of Iowa at Grinnell College was the 70th in the nation and second in Iowa in order of establishment. Its charter, granted by the society on September 12, 1907, was presented at the Foundation at Organization Meetings on April 11, 1908. Other Iowa chapters are Alpha at the State University of Iowa, established in 1895; Gamma at Drake University, 1923; Delta at Cornell College, 1923; Epsilon at Coe College, 1949; Zeta at Iowa State University, 1973; and Eta at Luther College, 1983.

Listed as Beta Chapter's three Charter Members were the President of Grinnell College and two faculty members who had been elected to Phi Beta Kappa by the chapters at their own undergraduate institutions. Named as Foundation Members were 30 Grinnell alumni of earlier years. At the first chapter election, as announced on June 5, 1908, 57 Alumni Members and 9 Members-in-Course were chosen. In all, during the period since the chartering and through the 2002-2003 academic year, Beta Chapter has had a total membership of 3259 men and women—3 Charter Members, 30 Foundation Members, 21 Honorary Members, 201 Alumni Members, and 2163 Members-in-Course. All their names appear in the Chronological lists of elected members that begins on page 21 in this directory.

No special records have been kept of the "immediate" or operating membership of Beta Chapter from year to year. Such lists would have included not only active members of Beta Chapter in the college and community but also associate members—faculty and administrative staff

members and other local residents elected to Phi Beta Kappa by other chapters. A list of the immediate membership as of December 2003 does appear on page 13.

Two members of Beta Chapter have been elected by the National Council to serve in the Senate of Phi Beta Kappa. Neal Klausner, Miller Professor of Philosophy, sat from 1973 to 1979 as Senator for the north-central district; Mr. Klausner subsequently served in the Committee on Qualifications and the committee for Ralph Waldo Emerson Award. Joseph Wall, Professor of History and sometime Rosenfield Professor of Public Affairs, International Relations, and Human Rights, took his seat in the Senate following his election at large at the 1988 meeting of the National Council.

Beta Chapter operates under its original Constitution, as adopted on April 11, 1908, but its By-Laws have been repeatedly amended and revised, including a complete revision adopted February 22, 1962, with amendments voted in October 1964, February 1972, March 1976, November 1987, March and December 1998.

CONSTITUTION AND BY-LAWS

CONSTITUTION

Adopted April 11, 1908, as Required

by the Charter

- I. This society is one of the co-ordinate branches of the body known as THE UNITED CHAPTERS OF PHI BETA KAPPA, and shall be called the Beta Chapter of the Phi Beta Kappa society in the State of Iowa.
- II. The object of the Phi Beta Kappa society is the promotion of scholarship and friendship among students and graduates of American colleges.
- III. The members of the Chapter shall be elected primarily from the best scholars of the graduating classes of Grinnell College; secondly, from those graduates of said college whose post-graduate work entitles them to such honor; and lastly, from any persons distinguished in letters, science, or education; provided, however, that the selection from each graduating class shall not exceed one-fourth of the number graduated. But the Chapter may make further limitations or restrictions.
- IV. In addition to scholarship, good moral character shall be a qualification of membership, and any member who is found to have lost this qualification may be expelled from the society by a four-fifths vote of the members present at a regular annual meeting of the society.
- V. This Chapter shall send a delegation to represent it at each National Council of the United Chapters, shall contribute its equal part in the financial support of the United Chapters, and shall conform to the constitution of the United Chapters and all the lawful requirements of the National Council.
- VI. This Chapter shall, by the enactment of suitable by-laws, provide for its election of officers, the initiation of members, the conduct of its meetings, and for such other matters as it may deem wise so to regulate.

BY-LAWS

As Revised by Chapter Action February 22, 1962, and Amended
Oct. 1964, Feb. 1972, March 1976, and Nov. 1987, March and Dec. 1998, Dec. 2002, Apr. 2004.

ARTICLE I. MEMBERSHIP IN THE CHAPTER

Section 1. Persons elected to membership by the Chapter shall have full privileges in the Chapter upon receiving the certificate of membership.

Section 2. Members of other Chapters of Phi Beta Kappa who are, or who become, members of the faculty or staff of Grinnell College, or who reside in the vicinity, shall thereby be associate members of the Chapter with full privileges in the Chapter.

ARTICLE 11. OFFICERS

Section 1. The officers of this Chapter shall be a President, a Vice-President, a Secretary, and a Treasurer. They shall perform the duties usually incumbent upon such officers.

Section 2. The officers of the Chapter shall be elected at the annual meeting and shall hold office for one year from the first day of May following their election. A majority of the members present shall be necessary to elect the officers of the Chapter.

Section 3. The Executive Committee shall appoint a replacement for any officer who is unable to complete his term of office, and this person shall serve until the new officers take office following the next regular election.

ARTICLE III. THE EXECUTIVE COMMITTEE

Section 1. Upon assuming office, the President shall appoint three members of the Chapter to act with the four officers of the Chapter as an Executive Committee.

Section 2. The Executive Committee shall have charge of the general management of the Chapter.

Section 3. The three members of the Executive Committee appointed by the President shall prepare a list of nominations for the offices in the Chapter, and shall submit the same to the Chapter at the annual meeting.

ARTICLE IV. MEETINGS

Section 1. There shall be at least one meeting of the Chapter, to be held annually no later than April 15, and hereinafter referred to as the annual meeting, for the election of members-in-course and of Chapter officers, and for other business.

Section 2. One-fourth of the Chapter membership shall constitute a quorum for the transaction of business.

Section 3. A meeting may be called by the President at any time; and a meeting shall be called by the Secretary whenever requested in writing by five members or associate members of the Chapter.

ARTICLE V. CONDUCT OF CHAPTER MEETINGS

The conduct of the meetings of the Chapter shall be in accordance with Robert's Rules of Order except in cases where these rules may be in conflict with this Chapter's Constitution and By-Laws.

ARTICLE VI. ELECTION OF MEMBERS

Section 1. Members-in-course shall be elected primarily on the basis of scholarly achievement.

In the Spring semester the local Phi Beta Kappa chapter, Beta of Iowa, selects high achieving junior and senior students from among the candidates for election. All candidates for election as members-in-course shall meet successfully the following requirements of their academic course of study: with respect to the study of a foreign language, successful completion of a course at or beyond the third-semester level of a modern foreign language, or the second-semester level of a classical language, or proficiency beyond such level as demonstrated by the candidate's educational history, e.g., years of education in a non-English-speaking country; with respect to the study of mathematics, completion of the sequence Math 123-124 or 131, or of a mathematics course for which Math 124 or 131 is a prerequisite; with respect to the general distribution of the course of study, at least 12 semester credits of study in the divisions of humanities, science, and social studies as defined at Grinnell College, with no more than eight of the 8 divisional credits counted to come from any one academic department, and completion of at least one science course with a laboratory experience.

A letter grade will be required in courses used to satisfy distribution requirements for election to Phi Beta Kappa, except for courses only offered S/D/F. Courses accepted as transfer credits by the Registrar's Office may be used to satisfy distribution requirements, even though no letter grade appears on the student's transcript for these courses. In any case, only courses designated to one of the three academic divisions by the Registrar's Office will count toward the distribution requirements. For courses cross-listed in two or academic divisions (such as MAT-115/SST-115) the student should ensure that the course is designated to the desired division on his or her transcript.

Advanced Placement (AP) and transfer credits may be used to satisfy an eligibility requirement, provided that the Registrar's Office has determined them to be equivalent to the relevant courses at Grinnell. A maximum of 4 AP credits may be used to satisfy the

distribution requirement in each division. The student is responsible for ensuring that the appropriate credits are listed on his or her transcript.

Transcripts will be evaluated after the three-week Add-Drop period for Spring semester courses. Courses that are in progress will count towards the eligibility requirements. These courses must be taken for a letter grade if they are to satisfy distribution requirements, except for courses only offered S/D/F. Before the induction ceremony each year, the Chapter may verify the eligibility of students to be elected by requesting that the Registrar's Office notify the Chapter if a student has withdrawn from a course needed to satisfy eligibility requirements. The Chapter initiates the consideration of juniors and seniors for membership without action by the students. Students will be notified by the Chapter if they are to be offered membership in Phi Beta Kappa.

The total number chosen by the Chapter shall not exceed 15 (fifteen) percent of the senior class, as constituted at the end of the fall semester.

a. At the beginning of the spring semester, the Executive Committee shall secure from the Registrar the names and records of the 8 (eight) percent of the junior class, as constituted at the end of the fall semester, who have the highest cumulative grade-point averages. From those of this group who have completed four semesters in residence at Grinnell College at the time of consideration, a maximum of 5 (five) percent of the total number of juniors may be elected to membership at the annual meeting of the Chapter. The record shall consist of the cumulative grade-point average and the semester-by-semester grade-point average for work taken in Grinnell College and, in such form as is convenient to the Registrar, records, including grades, of work taken elsewhere. For this purpose, the Registrar shall prepare two lists for the use of the Executive Committee and the Chapter members. The first list will rank the students by number and name and will be available to the members of the Executive Committee and of the Chapter who are faculty or staff members of the college and who are thereby authorized by law to examine student academic records.

The second list will rank the students by number only and will be available to all other members of the Executive Committee and of the Chapter who are not faculty or staff members of the college and who are therefore not authorized by law to examine student academic records. The executive Committee, acting as a nominating committee, shall review the records of the eligible candidates and make nominations therefrom, primarily on the basis of cumulative grade-point average, to the Chapter in meeting.

b. Further, at the beginning of the spring semester, the Executive Committee shall secure from the Registrar the names and records, as prescribed in (a) above, of the 20 (twenty) percent of the senior class who have the highest cumulative grade-point averages and who are completing (in the case of mid-year graduates, who have completed) at least 4 (four) semesters in residence at Grinnell College at the time of consideration. From those in this group not previously elected to membership, further members-in-course may be elected at the annual meeting of the Chapter. The Executive Committee, acting as a nominating committee, shall review the records of eligible candidates and make nominations therefrom to the Chapter in meeting. The candidates under consideration shall be treated as follows:

- i. Students who have been in residence for longer than the prescribed four-semester minimum requirement for election shall not be placed at a disadvantage to those students who have been in residence for the shorter period of time. For this purpose, cases shall be considered on the basis of the same number of semesters and, in so far as possible, the same contiguous semesters.
- ii. The Executive Committee may nominate for election on the basis of comparative grade-point average and fulfillment of the requirements specified in Section One, no more than 13 per cent of the senior class, inclusive of those members of the class elected as juniors, from the upper 20 per cent of the class. In nominating such persons, the Committee should take care that it find a point in the descending order of grade-point averages that makes the cleanest reasonable distinction between those above the point and those below it.
- iii. The Executive Committee may nominate for election from among those in the upper 20 per cent of the class and who have fulfilled the requirements for election as specified in Section One no more than five additional members of the class. These students, who may fall below the no-more-than-13-per-cent standard specified above, may be nominated on the basis of exceptional scholarly achievement during their baccalaureate semesters at the College. In preparing such nominations the Executive Committee should seek information and advice from members of the Chapter and from members of the faculty who may be expected to have knowledge of such achievements.

c. The Registrar shall be reminded to search for mid-year graduates when preparing the lists of seniors for consideration. (Such cases entail consideration for election in the semester immediately following the completion of graduation requirements.) In no case of a mid-year graduate shall the final semester's work be counted in the cumulative grade-point average. If elected, such students shall be counted in the quota of those graduating in the same academic year.

Section 2. Graduates of Grinnell College who are persons of outstanding achievement or of distinguished place in letters, science, or education may be elected as alumni members, provided that their college records are creditable and that they are graduates of at least 10 (ten) years' standing. Nomination shall be made in writing by any three members or associate members of the Chapter at the annual meeting, to be considered by the incoming Executive Committee and reported by them at the next annual meeting. Not more than two alumni members shall be elected in any one year.

Section 3. Any person distinguished in letters, science, or education may be elected to honorary membership. Nomination shall be made in writing by any three members or associate members of the Chapter at the annual meeting, to be considered by the incoming Executive Committee and reported by them at the next annual meeting. No graduate of another institution having a Chapter of Phi Beta Kappa shall be so elected unless the consent of that Chapter has been obtained. Not more than two honorary members shall be elected in any one year.

Section 4. Members-in-course shall be elected by a majority of those members present at the annual meeting of the Chapter. Alumni and honorary members shall be elected by three-fourths of those members present at the annual meeting of the Chapter, and the election shall be by secret ballot.

ARTICLE VII. FEES AND DUES

Section 1. Members-in-course upon election shall pay an initiation fee to be determined by the Chapter upon the recommendation of the Executive Committee.

Section 2. Alumni and honorary members upon election shall pay an initiation fee determined by the Chapter upon the recommendation of the Executive Committee.

Section 3. Annual dues and any special assessments for Chapter members may be determined by a majority vote of the members present at a meeting of the Chapter. Undergraduate members of the Chapter shall be exempt from annual dues and special assessments.

ARTICLE VIII. AMENDMENTS

Section 1. These By-Laws may be amended at a duly called meeting of the Chapter. Written notice of the proposed amendment(s) shall be given in the announcement of the meeting. A two-thirds vote of the members present shall be necessary to carry any amendment.

Section 2. Amendments to the By-Laws shall be in effect, unless otherwise specified, immediately upon approval by the Chapter.

ARTICLE IX. SUSPENSION OF BY-LAWS

These By-Laws may be suspended by a two-thirds vote of the members present at a meeting of the Chapter.

2. The Book Prizes are given only to sophomores who are in residence at the college at the time the awards are made.

VI. ANNUAL ASSESSMENT

1. The annual assessment for active members and associate members of the chapter is \$10.00 for students and \$20.00 for non-students (voted April 2003).

VII. PHI BETA KAPPA SCHOLAR'S AWARD

1. A Phi Beta Kappa Scholar's Award is customarily given for an outstanding piece of scholarly work completed by a Grinnell student prior to the final semester of the senior year. "Scholarly work" is to be interpreted broadly, to include such accomplishments as a scholarly paper or project completed in connection with a course, an original literary piece, a scientific research project, an essay, or any scholarly endeavor which results in a tangible product.
2. The Executive Committee of the chapter will review the submissions and recommend the winner of the award to the chapter for its approval at the spring meeting.

OFFICERS

In the lists which follow, the names of Grinnell alumni are followed by their class year (e.g., 1875, '41), which is not necessarily the same as their year of election to membership in Beta Chapter of Iowa (for which see the "Roll of Members by Year" or "Alphabetical Roll of Members").

Faculty and administrative staff members who have been or are associate members of Beta Chapter because of their election to Phi Beta Kappa by other chapters are designated as "Fac" for faculty, "S" for administrative staff, or "Fac-S" for both. In cases where an alumnus or alumna was or is also a faculty or staff member, this is specified.

During the period from 1912 through 1924, Beta Chapter followed the custom of naming an honorary president and an honorary vice-president each year. Names of these honorary officers are listed below. The roster of regular chapter officers from 1908 through 2002 begins on the next page.

ROLL OF MEMBERS BY YEAR

In the following chronological membership list, Charter and Foundation Members are first, followed by the elective membership for each academic year.

Since all Foundation Members were alumni, their names are followed by their Grinnell class year. Alumni Members also are identified by class year. "Fac" and/or "S" following the name of a Charter or Honorary Member indicate that the person was a member of faculty and/or administrative staff at the time of the chartering or election.

An asterisk (*) preceding the name of a Member-in-Course indicates that the member was elected in the first semester of the senior year, for students elected through fall, 1971. In spring, 1972, Beta Chapter voted to replace election in the first semester of the senior year with election in the second semester of the junior year, and to continue election in the second semester of the senior year.
