Complete Report Card

Institution Information

Name of Institution: Grinnell College
Institution/Program Type: Traditional
Academic Year: 2013-14
State: Iowa
Address: 1120 Park Street
Steiner Hall
Grinnell, IA, 50112
Contact Name: Dr. Jean Ketter
Phone: 641-269-4871
Email: ketter@grinnell.edu

Is your institution a member of an HEA Title II Teacher Quality Partnership (TQP) grant awarded by the U.S. Department of Education? (http://www2.ed.gov/about/offices/list/oii/tqp/index.html)

No

If yes, provide the following:

Award year:
Grantee name:
Project name:
Grant number:
List partner districts/LEAs:
List other partners:
Project Type:

Section I.a Program Information

List each teacher preparation program included in your traditional route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at http://www2.ed.gov/about/offices/list/oii/tqp/index.html.

<table>

Total number of teacher preparation programs: 1

Section I.b Admissions

Indicate when students are formally admitted into your initial teacher certification program:
Sophomore year

Does your initial teacher certification program conditionally admit students?
Yes

Provide a link to your website where additional information about admissions requirements can be found:
http://www.grinnell.edu/academic/education

Please provide any additional comments about or exceptions to the admissions information provided above:

Section I.b Undergraduate Requirements
Are there initial teacher certification programs at the undergraduate level?
Yes

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the Undergraduate level.

2.8

Please provide any additional comments about the information provided above:

**Section I.c Enrollment**

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and not an enrolled student.

Additional guidance on reporting race and ethnicity data.

| Total number of students enrolled in 2013-14: | 13 |
| Unduplicated number of males enrolled in 2013-14: | 6 |
| Unduplicated number of females enrolled in 2013-14: | 7 |

**Section I.d Supervised Clinical Experience**

Provide the following information about supervised clinical experience in 2013-14.

| Average number of clock hours of supervised clinical experience required prior to student teaching | 80 |
| Average number of clock hours required for student teaching | 560 |
| Average number of clock hours required for mentoring/induction support | 8 |
| Number of full-time equivalent faculty supervising clinical experience during this academic year | 3 |
| Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff) | 0 |
| Number of students in supervised clinical experience during this academic year | 7 |

Please provide any additional information about or descriptions of the supervised clinical experiences:

**Section I.e Teachers Prepared by Subject Area**

Please provide the number of teachers prepared by subject area for academic year 2013-14. For the purposes of this section, number prepared means the number of program completers. *Subject area* refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ($205(b)(1)(H))

### Section I.e Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2013-14. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. (§205(b)(1)(H))

### Section 1.f Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years:
Section II Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at http://www2.ed.gov/about/offices/list/ope/pouxs.html.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2013-14
Did your program prepare teachers in mathematics in 2013-14?
Yes
How many prospective teachers did your program plan to add in mathematics in 2013-14?
1
Did your program meet the goal for prospective teachers set in mathematics in 2013-14?
Yes
Description of strategies used to achieve goal, if applicable:

Academic year 2014-15
Is your program preparing teachers in mathematics in 2014-15?
No
How many prospective teachers did your program plan to add in mathematics in 2014-15?

Academic year 2015-16
Will your program prepare teachers in mathematics in 2015-16?
Yes
How many prospective teachers does your program plan to add in mathematics in 2015-16?
1

Section II Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at http://www2.ed.gov/about/offices/list/ope/pouxs.html.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

Academic year 2013-14
Did your program prepare teachers in science in 2013-14?
No

Academic year 2015-16
Will your program prepare teachers in special education in 2015-16?
No
How many prospective teachers does your program plan to add in special education in 2015-16?
Provide any additional comments, exceptions and explanations below:

Section II Annual Goals - Instruction of Limited English Proficient Students
Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))
Information about teacher shortage areas can be found at http://www2.ed.gov/about/offices/list/ope/pol/tsa.html.
Please provide the information below about your program's goals to increase the number of prospective teachers in instruction of limited English proficient students in each of three academic years.
Academic year 2013-14

Yes

How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2013-14?

1

Did your program meet the goal for prospective teachers set in instruction of limited English proficient students in 2013-14?

Yes

Description of strategies used to achieve goal, if applicable:

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Provide any additional comments, exceptions and explanations below:

Academic year 2014-15

Is your program preparing teachers in instruction of limited English proficient students in 2014-15?

Yes

How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2014-15?

3

Provide any additional comments, exceptions and explanations below:

Academic year 2015-16

Will your program prepare teachers in instruction of limited English proficient students in 2015-16?

Yes

How many prospective teachers does your program plan to add in instruction of limited English proficient students in 2015-16?

5

Provide any additional comments, exceptions and explanations below:

Section II Assurances

Please certify that your institution is in compliance with the following assurances. (§205(a)(1)(A)(iii), §206(b)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

Yes

Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

Yes

Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

NA

Prospective general education teachers are prepared to provide instruction to students with disabilities.

Yes

Prospective general education teachers are prepared to provide instruction to limited English proficient students.

Yes

Prospective general education teachers are prepared to provide instruction to students from low-income families.

Yes

Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

Yes

Describe your institution's most successful strategies in meeting the assurances listed above:

Students conduct school practicums with diverse students in two upper level courses and our methods courses include the above topics as part of the curriculum.

Section III Assessment Pass Rates

</tr>
</tbody>
</table>
Section III Summary Pass Rates

No summary pass rates are available for this program for the current reporting year.

Confirmed

Please provide an explanation:

Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?
Yes

If yes, please specify the organization(s) that approved or accredited your program:

State

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?
No

Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

• integrate technology effectively into curricula and instruction
  Yes
• use technology effectively to collect data to improve teaching and learning
  Yes
• use technology effectively to manage data to improve teaching and learning
  Yes
• use technology effectively to analyze data to improve teaching and learning
  Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

All courses students take require them to use technology both to present their research and to acquire knowledge they can apply. In our performance assessment, students are required to demonstrate both their own facility with technology and their ability to use technology effectively in their instruction.

Students are informed about universal design principles in several of the courses and we emphasize the use of best practices throughout all methods courses and in student teaching. Students are required to demonstrate their effective use of universal design principles in their performance assessment.

Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

• teach students with disabilities effectively
  Yes
• participate as a member of Individualized education program teams
  Yes
• teach students who are limited English proficient effectively
  Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of Individualized education program teams, as defined in section 614(d)(3)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

We have a course designed to introduce students to practices that allow them to include all students. In this class, they are made aware of IDEA, individualized education plans, and universal design principles. In our methods classes, we require that students demonstrate their ability to adapt instruction to diverse learners' needs, and students must also demonstrate their ability to meet the needs of diverse learners in the performance assessment.

Does your program prepare special education teachers to:
• participate as a member of Individualized education program teams
NA
• teach students who are limited English proficient effectively
NA

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of Individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

We don't have a special education program

Section VII Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Students who wish to apply to the program must take a basic literacy test called the CBASE. This test is offered early in the second semester and has reading, math, and writing components. Applications to the program are due on the third Friday in February. The application process also requires a letter of intent from the applicant and a reference from either the student's advisor or EDU 101 professor. Applicants must also complete an education plan indicating when they will take the required education courses. After students are admitted to the program, they will be assigned an education advisor who will guide program participants through the disciplinary requirements for licensure, which often are not the same requirements as for a major. Students in the program must obtain the signature of their education advisor as well as their major advisor to register for courses. Students may be licensed in secondary education (5-12) in approved areas. If students obtain licensure in one or more approved areas, they also may earn endorsements in a second teaching area, including ESL.
